- Empowering children and listening to their voices – empowering children to participate in decisions that affect them and share any concerns they may have
- Respecting diversity and promoting the cultural safety of all the children in our care
- Responding quickly to concerns and ensuring children are not exposed to any form of harmful conduct or abuse
- Ensuring our staff are trained, supported, and suitable to work with children
 - Involving families and communities in our child safety culture
 - Regularly reviewing our practices to ensure ongoing improvement
- Welcoming feedback to continuously improve our child safe policies, procedures and practices

We have zero tolerance for child abuse.
